- Bridge and Outro: Reinforcing the message with repeated phrases

Go for a Soda

Something's wrong, and you don't know what it is

You need a change of scene, you need to get away

Take your troubles down the street

Go for a soda, take a little break

Go for a soda, it's the only thing to do

Go for a soda, and it's waiting there for you

Don't let the day get you down

Put your feet on the ground, and just relax now

Take your troubles down the street

Go for a soda, take a little break

Go for a soda, it's the only thing to do

Go for a soda, and it's waiting there for you
