Before the festival begins, families engage in various preparations:

1. **Cleaning the Home:** A thorough cleaning of the home is done to welcome Goddess Lakshmi. It is believed that a clean and tidy space attracts prosperity.

3. **Making Sweets:** Traditional sweets and snacks are prepared, symbolizing the sweetness of life and the joy of sharing with family and friends.

Types of Lamps Used

During Diwali, a variety of lamps are used to illuminate homes and public spaces:

- **Traditional Diyas:** Earthen lamps filled with oil and a cotton wick are the most common. They are often decorated with colorful paints and patterns.
- **Electric Lights:** In modern celebrations, many families use electric lights to create a dazzling display.
- **Candles:** Scented or decorative candles are also popular for adding a festive touch.
