- **Healthy Options:** By using lean meats and fresh herbs, you can create a healthier version of this classic dish.

Ingredients for Jamie Oliver's Meatballs

To create these delicious meatballs, you will need the following ingredients:

For the Meatballs:

- 500g minced beef or turkey
- 1 slice of stale bread (blitzed into breadcrumbs)

- 1 clove of garlic (minced)
- 1 teaspoon dried oregano or mixed herbs
- 1 egg
- Salt and pepper to taste

For the Sauce:

- 1 can of chopped tomatoes (400g)
- 1 tablespoon olive oil
- 1 teaspoon sugar (to balance acidity)
- Fresh basil or parsley for garnish

Quick Preparation Steps

Jamie Oliver's 15-minute meatballs are not just quick; they are also straightforward to prepare. Here's a step-by-step guide to making this dish:

Step 1: Prepare the Meatball Mixture

1. In a large mixing bowl, combine the minced meat, breadcrumbs, minced garlic, dried herbs, and egg.
2. Season generously with salt and pepper.
3. Mix everything together using your hands until well combined, being careful not to overwork the mixture.

Step 2: Form the Meatballs

1. With your hands, shape the mixture into small meatballs, roughly the size of a golf ball.

2. Place the meatballs on a plate while you prepare the sauce.

Step 3: Cook the Meatballs

1. In a large frying pan, heat the olive oil over medium heat.
2. Add the meatballs and cook for about 5-7 minutes, turning occasionally until they are browned on all sides.

Step 4: Make the Sauce

1. While the meatballs are cooking, add the chopped tomatoes to the pan.
2. Stir in the sugar and let it simmer, allowing the flavors to meld for about 5 minutes.

Step 5: Serve and Enjoy

1. Once the meatballs are cooked through and the sauce has thickened, remove from heat.
2. Serve the meatballs in bowls, drizzled with the sauce and garnished with fresh basil or parsley.
3. This dish pairs wonderfully with spaghetti, rice, or a fresh salad.

Tips for Perfect Meatballs

To ensure your meatballs turn out perfectly every time, consider the following tips:

- **Use Lean Meat:** Opt for lean ground beef or turkey to keep the dish healthier.
- **Don't Overmix:** When combining the ingredients, mix just until combined to keep the meatballs tender.

- **Customize Spices:** Experiment with different herbs and spices to suit your taste preferences.
- **Check for Doneness:** Ensure the meatballs are cooked through by checking the internal temperature, which should be at least 75°C (165°F).
- **Make Ahead:** You can prepare the meatballs in advance and store them in the fridge or freezer for quick meals later on.

Variations to Try

Jamie Oliver's meatballs lend themselves to a variety of delicious twists. Here are a few variations you might consider:

- **Italian Style:** Add grated Parmesan cheese and a pinch of chili flakes to the meatball mixture for an Italian twist.
- **Asian-Inspired:** Incorporate ginger, sesame oil, and soy sauce for a flavorful Asian variation.
- **Vegetarian Option:** Substitute ground meat with lentils or chickpeas, and use nuts and spices for flavor.
- **Stuffed Meatballs:** Place a small piece of mozzarella in the center of each meatball for a gooey surprise.

Conclusion
