- 2 cups all-purpose flour
- 1 teaspoon salt
- 3/4 cup unsalted butter, chilled and cubed
- 6-8 tablespoons ice water

For the Egg Wash

- 1 egg
- 1 tablespoon milk

Equipment Needed

Before you start cooking, ensure you have the following kitchen tools at hand:

- Mixing bowls
- Rolling pin
- Pie dish (9-inch)
- Saucepan
- Whisk
- Baking sheet
- Knife and cutting board

Preparation Steps

Now that you have all your ingredients and tools ready, let's dive into the preparation steps.

Step 1: Prepare the Pie Crust

1. Mix the Dry Ingredients: In a large mixing bowl, combine the flour and salt. Mix well to ensure the salt is evenly distributed.
2. Cut in the Butter: Add the chilled, cubed butter to the flour mixture. Use a pastry cutter or your fingers to mix until the mixture resembles coarse crumbs.
3. Add Ice Water: Gradually add the ice water, one tablespoon at a time, mixing until the dough comes together. You may not need all the water.
4. Chill the Dough: Divide the dough in half, shape each half into a disk, and wrap in plastic wrap. Refrigerate for at least 30 minutes.

Step 2: Make the Filling

1. Sauté the Vegetables: In a saucepan over medium heat, add a tablespoon of oil or butter. Sauté the diced onion until translucent, about 3-4 minutes. Add the minced garlic and cook for an additional 1 minute.
2. Add Chicken and Broth: Stir in the shredded or cubed chicken and pour in the chicken broth. Bring the mixture to a simmer.
3. Incorporate Cream and Seasonings: Add the heavy cream, frozen mixed vegetables, thyme, rosemary, salt, and pepper. Continue to simmer for about 5-10 minutes, allowing the filling to thicken slightly.
4. Cool the Filling: Remove from heat and let the filling cool while you roll out the dough.

Step 3: Roll Out the Dough

1. Prepare the Surface: Lightly flour your countertop or a large cutting board.
2. Roll Out the Dough: Take one disk of chilled dough and roll it out into a circle about 12 inches in diameter. Ensure it's even in thickness.
3. Transfer to Pie Dish: Carefully place the rolled-out dough into a 9-inch pie dish, pressing it gently against the bottom and sides. Trim any excess dough hanging over the edges.

Step 4: Assemble the Pie

1. Add the Filling: Spoon the cooled chicken filling into the pie crust, spreading it evenly.
2. Top with Second Crust: Roll out the second disk of dough in the same manner as the first. Place it over the filling, trimming and crimping the edges to seal the pie.
3. Cut Vent Holes: Using a sharp knife, cut a few slits in the top crust to allow steam to escape during baking.

Step 5: Apply the Egg Wash

1. Prepare the Egg Wash: In a small bowl, whisk together the egg and milk.
2. Brush the Crust: Using a pastry brush, apply the egg wash evenly over the top crust. This will give the pie a beautiful golden color when baked.

Baking Instructions

Now that your pie is assembled, it's time to bake it.

1. Preheat the Oven: Preheat your oven to 425°F (220°C).
2. Prepare for Baking: Place the pie on a baking sheet to catch any drips while baking.
3. Bake the Pie: Bake the chicken pie in the preheated oven for 30-35 minutes, or until the crust is golden brown and the filling is bubbly.
4. Cool Before Serving: Once baked, remove the pie from the oven and allow it to cool for 10-15 minutes before slicing and serving.
