

neil sedaka waking up is hard to do

Waking Up is Hard to Do. Those words resonate deeply with anyone who has struggled to leave the comfort of their bed, and they take on a nostalgic meaning when associated with the legendary Neil Sedaka. This talented singer-songwriter has produced numerous hits throughout his illustrious career, but "Waking Up is Hard to Do" stands out as a poignant reflection of the universal struggle with mornings. In this article, we will explore the song's background, its lyrical themes, and Sedaka's impact on the music industry, all while examining why waking up is such a challenge for many.

The Background of the Song

Neil Sedaka first burst onto the music scene in the late 1950s, quickly establishing himself as a formidable talent in the pop music genre. With a string of chart-topping hits, Sedaka has remained a relevant figure in the music industry for decades. However, the song "Waking Up is Hard to Do" is often overshadowed by his more prominent works like "Breaking Up Is Hard to Do" and "Oh! Carol."

Creation and Release

- Inspiration: The concept for "Waking Up is Hard to Do" was born from Sedaka's own experiences with mornings. The struggle to emerge from the warmth of blankets and the reluctance to face the day's responsibilities is a feeling most people have encountered at some point in their lives.
- Writing Process: Sedaka collaborated with lyricist Howard Greenfield, a frequent partner in Sedaka's songwriting ventures. Together, they captured the essence of morning lethargy in a catchy, relatable tune.
- Release Date: "Waking Up is Hard to Do" was released in the early 1970s as part of Sedaka's album

titled Sedaka's Back. This album marked a significant comeback for Sedaka after he faced challenges in the music industry during the late 1960s.

- Chart Performance: While "Waking Up is Hard to Do" did not achieve the same level of commercial success as some of Sedaka's earlier hits, it still garnered attention and resonated with audiences who appreciated its humor and relatability.

Lyrical Themes

The lyrics of "Waking Up is Hard to Do" encapsulate a common struggle: the difficulty of getting out of bed in the morning. The song paints a vivid picture of the battle between comfort and obligation, using humor and catchy melodies to engage listeners.

Relatability and Humor

One of the song's greatest strengths lies in its ability to connect with listeners on a personal level. The lyrics offer a lighthearted take on the mundane struggle of waking up, making it relatable to a wide audience. Some key elements include:

- Exaggeration: Sedaka employs hyperbole to illustrate the lengths one might go to avoid waking up, capturing the essence of morning reluctance in an entertaining way.

- Personification: The song personifies the bed as a comforting entity, making it seem almost impossible to leave its embrace.

- Catchy Chorus: The repetition of the phrase "Waking up is hard to do" serves as a catchy reminder of the daily struggle, allowing listeners to sing along and share in the experience.

Emotional Resonance

Beyond the humor, the song also touches on deeper emotions that accompany mornings:

- Anxiety: For many, mornings herald the start of responsibilities and challenges. Sedaka's lyrics subtly hint at the anxiety that can accompany waking up, a feeling that resonates with listeners who dread the day ahead.
- Nostalgia: The song evokes a sense of nostalgia for simpler times, when waking up might have been less about responsibilities and more about the excitement of a new day.
