How to Attract Rare Cats

Attracting rare cats requires a combination of the right food, the appropriate items, and a bit of luck. Below are some essential tips to enhance your chances of luring these elusive kitties.

1. Use the Right Food

Different rare cats prefer different types of food. Here's a breakdown of some popular rare cats and their favorite meals:

- Jeeves: Likes Bonito Bitz and Tuna Bitz.
- Café Cat: Enjoys Tuna Bitz and Bonito Bitz.
- Ramses the Great: Prefers Tuna Bitz and Bonito Bitz.
- Mochi: Attracted to Mochi and Bonito Bitz.
- Dapper Cat: Likes Tuna Bitz and Bonito Bitz.

To increase your chances of attracting rare cats, consider using Sashimi or Tuna Bitz, which are generally more appealing to these special visitors.

2. Set Up the Right Items

In addition to food, certain items can make your yard more inviting for rare cats. The following items are known to help attract rare cats:

- Yarn Ball: A simple yet effective item that can attract both rare and common cats.
- Sapphire's Charm: This item is particularly effective for attracting Sapphire.
- Tiki Cat: A special item that has a high chance of attracting rare cats in general.

Make sure to place these items in your yard to create an inviting atmosphere. Additionally, using the Deluxe Tuna Bitz can significantly increase your chances of attracting rare cats, as it is one of the most appealing food items in the game.

3. Time and Patience

Attracting rare cats can take time, and sometimes you might not see them show up even after providing the right food and items. Be patient and keep your yard stocked with food and amenities. Logging in regularly to check on your yard and refill food can help improve your chances.

Tracking Rare Cat Visits

Keeping track of which rare cats you have successfully attracted can be helpful for ongoing gameplay. Neko Atsume provides a Catbook feature that allows you to view the cats you've fed, along with their favorite food and items. This feature can help you strategize your future endeavors to attract more rare cats.

Using the Catbook

- Cat Encounters: The Catbook records all the cats you have encountered, including rare ones. It provides details about their favorite foods and items.
- Completion: Aim to complete your Catbook by attracting all rare cats. This adds a layer of achievement to your gameplay.

Special Events and Rare Cats

Neko Atsume occasionally holds special events that can introduce new rare cats or provide unique items that make attracting these cats easier. Keeping an eye on game updates and participating in these events can lead to exciting new additions to your Catbook.

Event-Specific Rare Cats

During special events, certain rare cats may appear more frequently. For example, during the Halloween event, you might find that rare cats like Café Cat or Mochi appear more often. Participating in these events can give you a better chance of attracting rare cats you may not have encountered otherwise.

Tips and Tricks for Attracting Rare Cats

To maximize your success in attracting rare cats, consider the following tips:

1. Don't Overlook Common Cats: Sometimes, attracting common cats can lead to rare cat visits. Keep your yard stocked with a variety of food to cater to all types of cats.
2. Experiment with Different Combinations: Try different combinations of food and items to see what works best for attracting the rare cats you desire.
3. Check Your Yard Regularly: Make sure to log in frequently to check if any of the rare cats have visited your yard. You may find fish or other items they leave behind as gifts.
4. Social Media and Community Tips: Engage with the Neko Atsume community on social media platforms. Players often share their experiences and strategies for attracting specific rare cats.

Conclusion

Attracting rare cats in Neko Atsume can be a rewarding and enjoyable aspect of the game. With the right food, items, and a bit of patience, you can expand your collection of feline friends. By following this Neko Atsume rare cats guide, you'll be well on your way to becoming a master cat collector.
