

observer system redux trophy guide

Observer System Redux trophy guide is an essential resource for gamers looking to achieve 100% completion in this atmospheric cyberpunk horror title. Developed by Bloober Team, Observer System Redux is an enhanced version of the original Observer game, featuring improved graphics, new story content, and gameplay enhancements. In this guide, we will break down the trophies you can earn, tips on how to obtain them, and a comprehensive strategy to help you navigate the game effectively.

Understanding the Trophy Categories

Before diving into the specific trophies, it's essential to understand the different categories of trophies available in Observer System Redux. The game features a variety of trophies that can be classified into several groups:

1. **Story Trophies:** These are earned by progressing through the main storyline.
2. **Collectible Trophies:** These require finding various collectibles scattered throughout the game.
3. **Challenge Trophies:** These often involve completing specific tasks or challenges that may not be part of the main storyline.
4. **Miscellaneous Trophies:** These trophies can involve achievements that don't fit into the other categories, such as unique actions or gameplay mechanics.

List of Trophies

Observer System Redux has a total of 33 trophies, including a Platinum trophy. Here's a breakdown of the types of trophies you can earn:

Story Trophies

The story trophies are typically unavoidable if you complete the game. They often involve major plot points or milestones. Here's a list of the key story trophies:

1. **A New Beginning** - Awarded for starting the game.
2. **The Observer** - Earned for completing the first investigation.
3. **Into the Abyss** - Obtained after a significant plot twist in the game.
4. **The Truth Revealed** - Unlocked upon reaching the game's conclusion.

Collectible Trophies

Collectible trophies require thorough exploration of the game world. Players must find specific items or collectibles. Here are some notable collectible trophies:

1. Collector - Find all collectibles in the game.
2. Memory Lane - Discover all Memory locations.
3. Cyberpunk Explorer - Explore all areas of the game.

Challenge Trophies

The challenge trophies require players to complete specific tasks or challenges. Here are some examples:

1. Speedrunner - Complete the game within a certain time frame.
2. Stealth Master - Finish a level without being detected.
3. Puzzle Solver - Solve all puzzles in the game.

Miscellaneous Trophies

These trophies often involve unique gameplay mechanics or actions. Some examples include:

1. The Seeker - Use the scanner to find hidden clues.
2. Tech Savvy - Hack into a certain number of devices.
3. Guardian of the Past - Interact with specific objects that hold historical significance.

Tips for Earning Trophies

To maximize your chances of earning trophies in Observer System Redux, consider the following tips:

1. Save Often

The game allows you to save your progress at various points. Make sure to save frequently, especially before attempting challenging sections or making decisions that could impact your trophies.

2. Explore Thoroughly

Many trophies require you to explore the environment to find collectibles. Take your time to investigate every nook and cranny of the game world.

3. Use the Scanner

The scanner is an essential tool in Observer System Redux. Use it often to highlight clues and collectibles that may be hidden from plain sight. Look for areas where you can scan for additional information.

4. Complete Side Quests

Many side quests contain valuable collectibles and story elements that contribute to your overall trophy count. Be sure to engage with NPCs and complete these additional quests.

5. Take Notes

If you struggle to remember where collectibles are located or which puzzles you've solved, consider taking notes. This can help you keep track of what you still need to achieve.

6. Utilize Online Resources

Don't hesitate to use online resources such as trophy guides and walkthroughs. These can provide valuable tips and specific locations for hard-to-find collectibles.

A Detailed Breakdown of Notable Trophies

Let's take a closer look at some notable trophies and strategies for achieving them.

Collector Trophy

- Objective: Find all collectibles in the game.
- Strategy: Use a checklist to track your collectibles. Many players find it helpful to consult a full collectible guide for specific locations.

Speedrunner Trophy

- Objective: Complete the game within a set time limit.
- Strategy: Familiarize yourself with the game's layout and storyline to navigate quickly. Skipping unnecessary dialogue and cutscenes can also save time.

Stealth Master Trophy

- Objective: Finish a level without being detected.
- Strategy: Use stealth mechanics such as crouching and hiding to evade enemies. Plan your movements carefully and avoid confrontations.

Memory Lane Trophy

- Objective: Discover all Memory locations.
- Strategy: Pay attention to memory fragments and ensure you interact with each memory scene. Use the scanner to help locate these areas.

Conclusion

Acquiring trophies in Observer System Redux can significantly enhance your gaming experience. With its rich storyline, immersive atmosphere, and challenging gameplay, this game offers plenty of opportunities for achievement hunters. By following this comprehensive guide and utilizing the tips provided, you can navigate the complexities of the game and work towards unlocking all trophies, including the coveted Platinum trophy.

Remember to take your time, enjoy the story, and immerse yourself in the world of Observer System Redux. Happy trophy hunting!
