Getting Started

Setting Up the Feeder

Follow these steps to set up your Petlibro Automatic Cat Feeder:

1. Choose a Suitable Location:
 - Select a flat, stable surface away from your cat's litter box.
 - Ensure it is within reach of a power outlet if using the AC adapter.
2. Assemble the Feeder:
 - Attach the food container to the feeder.
 - Place the food bowl underneath the dispensing area.
3. Power Connection:
 - Connect the AC adapter to the feeder and plug it into a wall outlet.
 - Alternatively, insert batteries into the battery compartment if you prefer battery operation.

Filling the Feeder with Food

To fill your Petlibro Automatic Cat Feeder:

1. Open the food container lid.
2. Use the measuring cup to pour dry cat food into the container.
3. Ensure the food is dry and free from moisture to avoid clumping.
4. Close the lid securely.

Note: The feeder is designed to hold a variety of dry kibble sizes, but it is advisable to check compatibility with the manufacturer's guidelines.

Programming Your Feeder

Programming your Petlibro Automatic Cat Feeder is a straightforward process. Follow these steps to set feeding schedules and portion sizes:

Setting the Clock

1. Turn on the Feeder: Press the power button to activate the device.
2. Set the Time:
 - Press and hold the "Set" button until the hour display blinks.
 - Use the "+" or "-" buttons to adjust the hour.

- Press "Set" again to move to the minutes and adjust accordingly.
- Press "Set" one last time to confirm.

Scheduling Meals

1. Select a Meal Slot:
 - The feeder allows you to program up to four meal slots (1, 2, 3, and 4).
 - Press the "Set" button to select a meal slot.
2. Adjust the Feed Time:
 - Once the meal slot is selected, set the desired time using the same method as setting the clock.
3. Set Portion Size:
 - After setting the meal time, you can adjust the portion size.
 - Use the "+" or "-" buttons to set the desired number of portions (1-39).
4. Repeat for Additional Meal Slots:
 - Continue programming the other meal slots as needed.
5. Final Confirmation:
 - Once all settings are complete, press the "Set" button to save your programming.

Using the Voice Recording Feature

The Petlibro Automatic Cat Feeder comes with a fun and useful voice recording feature. Here's how to use it:

1. Press and hold the "Record" button.
2. Speak clearly into the microphone for up to 10 seconds.
3. Release the button to stop recording.
4. Test your recording by pressing the "Play" button.

This feature allows you to call your cat during feeding times, making mealtime more personal.

Cleaning and Maintenance

To ensure your Petlibro Automatic Cat Feeder remains in optimal condition, regular cleaning is essential. Follow these guidelines:

- Daily:
 - Remove any uneaten food from the bowl and wash it with warm, soapy water.

- Weekly:
 - Disassemble the food container and bowl.
 - Clean all parts with warm, soapy water or place them in the dishwasher (if dishwasher-safe).
 - Wipe the outer surfaces of the feeder with a damp cloth.
- Monthly:
 - Inspect the power adapter and battery compartment for any signs of wear or corrosion.
 - Replace batteries as necessary to ensure reliable operation.

Troubleshooting Common Issues

Even the best devices can experience issues. Here are some common problems and their solutions:

- Feeder Not Dispensing Food:
 - Ensure that the feeder is powered on.
 - Check if the food container is filled with dry kibble.
 - Inspect for clogs in the dispensing mechanism.
- Inconsistent Portion Sizes:
 - Make sure you have programmed the portion sizes correctly.
 - Check for any obstructions in the food dispensing area.
- Power Issues:
 - If the feeder does not turn on, check the power adapter and connections.
 - Replace batteries if using battery power.
- Voice Recording Not Working:
 - Ensure that the recording is not longer than 10 seconds.
 - Check that you are pressing the buttons correctly.

Safety Precautions

While using the Petlibro Automatic Cat Feeder, keep the following safety tips in mind:

- Always supervise your pet during mealtimes, especially during the initial usage.
- Avoid overfilling the food container to prevent spills and clogs.
- Keep the feeder out of reach of children and pets when not in use.
- Do not use the feeder outdoors or expose it to extreme weather conditions.
