

reached ally condie read online

Reached Ally Condie Read Online is a phrase that resonates with many fans of young adult dystopian literature. As the final installment in the Matched trilogy, "Reached" concludes the journey of Cassia Reyes in a world governed by oppressive societal norms and strict control over personal choices. This article delves into the plot, themes, characters, and the availability of "Reached" for online reading, providing a comprehensive overview for both new readers and those looking to revisit the story.

Overview of the Matched Trilogy

The Matched trilogy, written by Ally Condie, consists of three novels:

1. Matched (2010)
2. Crossed (2011)
3. Reached (2012)

The series is set in a future society where the government makes all decisions for its citizens, including whom they love, what they eat, and how they live their lives. The protagonist, Cassia Reyes, begins her journey in "Matched," where she is presented with the opportunity to choose her life partner. However, when her feelings toward another boy, Ky, spark a rebellion within her, she embarks on a quest for freedom and self-discovery.

Plot Summary of "Reached"

"Reached" picks up where "Crossed" leaves off, continuing the story of Cassia, Ky, and Xander. As the Society's control begins to wane, a deadly plague emerges, adding urgency to the trio's quest for truth and change. Here is a breakdown of the plot's key components:

The Characters and Their Arcs

- Cassia Reyes: The main protagonist, Cassia struggles with her feelings for both Ky and Xander while navigating her role in the resistance against the Society's oppressive regime.
- Ky Markham: A skilled artist and the boy Cassia truly loves, Ky faces the challenges of his past and the weight of his responsibilities as a leader in the rebellion.
- Xander Carrow: Cassia's childhood best friend and initial Match, Xander provides a different perspective on loyalty and friendship, making the love triangle more complex.

The Major Themes

"Reached" explores several significant themes:

1. Choice and Free Will: Central to the story is the idea of personal choice and the importance of decision-making in shaping one's destiny.
2. Love and Sacrifice: The relationships between Cassia, Ky, and Xander highlight the sacrifices individuals make for love and loyalty.
3. Identity and Self-Discovery: As characters confront their pasts and the constraints of Society, they embark on journeys of self-discovery that change their lives forever.

The Setting and World-Building

The world of "Reached" is meticulously crafted, with a stark contrast between the utopian facade of the Society and the grim reality faced by its citizens. The Society's control over every aspect of life creates a sense of tension, making the reader appreciate the characters' struggles for autonomy.

- The Society: A seemingly perfect world governed by strict rules and guidelines, where citizens are conditioned to follow and accept their predetermined lives.
- The Rising: A resistance group that seeks to overthrow the Society and restore individual freedoms, representing hope in a world filled with despair.

The careful juxtaposition of these two factions adds depth to the story, allowing readers to explore the moral complexities of rebellion and conformity.
