22. Chi (Χ, χ)
23. Psi (Ψ, ψ)
24. Omega (Ω, ω)

Familiarizing yourself with these letters will be the first step in your journey to read New Testament Greek.

Basic Grammar

New Testament Greek has a different grammatical structure compared to English. Understanding some key grammatical concepts will help you as you read. Here are some vital components:

- Nouns: Greek nouns are declined based on case (nominative, accusative, genitive, dative), number (singular, plural), and gender (masculine, feminine, neuter).
- Verbs: Greek verbs are conjugated according to tense (present, past, future), mood (indicative, imperative, subjunctive), voice (active, middle, passive), and person (first, second, third).
- Articles: The definite article in Greek has gender and case distinctions, similar to nouns.
