Riddle School Transfer 2 Walkthrough

Riddle School Transfer 2 is a popular point-and-click adventure game that engages players with its clever puzzles, humorous dialogue, and intriguing storyline. The game is a sequel to the original Riddle School series, where players navigate through various challenges and escape a school filled with quirky characters. This walkthrough will guide you step-by-step through the game, providing tips and strategies to help you successfully complete it.

Getting Started

Before diving into the puzzles, it's essential to understand the game's mechanics and objectives. In Riddle School Transfer 2, you play as a character named Phil, who is trying to escape from a school that is even more bizarre than the last. Your primary goal is to collect items, solve puzzles, and interact with various characters to progress through the game.

Basic Controls

- Mouse: Click to interact with objects and characters.
- Inventory: Items you collect will appear in the bottom-right corner. Click on an item to use it.
- Navigation: Use the arrow keys or mouse to move around different areas.

Walkthrough Guide

This section provides a step-by-step guide to help you navigate through Riddle School Transfer 2.

1. Starting Area

- Upon starting the game, you find yourself in the classroom.
- Click on the desk to interact with the teacher and gather introductory dialogue.
- After the dialogue, look for the door on the right side of the screen; this leads you to the hallway.

2. Hallway Exploration

- Once in the hallway, explore the immediate area.
- Click on lockers and try to interact with the students for hints.
- You will find a door leading to the art room, which is crucial for your next steps.

3. Art Room Puzzles

- In the art room, you will encounter various art supplies and a quirky art teacher.
- Task: Collect the paintbrush and the palette.
- To complete the first puzzle, use the paintbrush on the blank canvas to reveal a hidden message.
- This message will provide hints for a future puzzle involving colors.

4. Science Lab Adventure

- Exit the art room and head towards the science lab.
- Inside the science lab, interact with the beakers and other lab equipment.
- Puzzle: You'll need to combine certain chemicals to create a reaction that opens a secret compartment.
- Collect the item from the compartment, which is essential for your escape.

5. The Library Challenge

- After leaving the science lab, navigate to the library.
- In the library, you'll find a helpful librarian who might give you clues if you ask the right questions.
- Task: Find the book titled "The Key to Escape." It's hidden among various other books.
- Once you locate it, you will receive a code that will help you later in the game.

6. The Gymnasium Encounter

- Proceed to the gymnasium, where you'll need to interact with the gym teacher.
- To gain access to the gym equipment, you must complete a mini-game—a simple test of skill.
- Successfully complete the mini-game to earn the gym key, which will unlock a new area.

7. The Cafeteria Puzzle

- With the gym key, head to the cafeteria.
- Here you'll encounter various food items and a lunch lady.
- Puzzle: You need to prepare a special lunch order for the lunch lady. Collect ingredients from around the cafeteria.
- Once the order is complete, the lunch lady will provide you with a special item that is crucial for your escape.

8. Unlocking the Door

- After gathering all the necessary items, return to the main hallway.
- Use the item you received from the lunch lady to unlock a previously locked door.

- This door leads to the basement, an area filled with new challenges.

9. Basement Challenges

- In the basement, you'll face a series of more complex puzzles.
- Interact with the various machines and mechanisms found here.
- Task: Solve the circuit puzzle to power up a generator, which will open the exit door.

10. Final Escape

- After powering up the generator, make your way back to the exit door.
- You'll encounter a final obstacle—a character who tries to stop you.
- Use your collected items strategically to outsmart this character and proceed through the exit.

Tips and Strategies

- Explore Thoroughly: Always interact with every object in the surroundings. You never know what clues or items you might find.
- Take Notes: Keep track of puzzle solutions and codes on paper to avoid forgetting them.
- Trial and Error: Don't hesitate to experiment with different combinations of items. Sometimes, the solution is not immediately obvious.
