Begin by cleansing the space with incense or by ringing a bell. Arrange your altar with the gathered items, placing the candles, crystals, and any other symbolic objects.

2. Grounding and Centering

Before invoking the energy of Lilith, it's essential to ground and center yourself. This can be achieved through meditation, deep breathing exercises, or visualization techniques.

3. Invocation of Lilith

Invoke Lilith by reciting prayers or affirmations that resonate with her energy. You might say something like:
